### The Riverside

Alex Jorgensen  
VINEWOOD ELEMENTARY SCHOOL

Sitting in a kayak on the calm lake  
Clouds fluffy as cotton candy fill the sky  
Trees and bushes sway along the riverside  
Geese are paddling through the water  
I would love to live this experience many more times

### In a Dream

Emma Shinn  
VINEWOOD ELEMENTARY SCHOOL

The river flowing like the soft breeze in the air  
Warm summer air drifting my kayak slowly  
The lily pads covered with ladybugs  
I can see the blue sky's reflection on the water  
What a beautiful sight ...

### Poem

Ethan Nguyen  
ELKHORN ELEMENTARY SCHOOL

Salmon,  
Salmon,  
You risk so much  
In hope, that one day, you  
Create the next generation again
